

Community Infrastructure Forum

Join us in creating a fresh vision of infrastructure for a liveable, sustainable and prosperous Queensland.

ENGINEERS
AUSTRALIA

This public Forum is your opportunity to take part in the conversation with thought leaders as we explore opportunities and tackle challenges around planning and funding of Queensland's infrastructure.

The following topics will be covered during the Forum:

- **Sustainability**
- **Transport**
- **Funding**

When: Wednesday 24th June
8.30am to 1pm

Where: Kindler Theatre,
Queensland University of Technology.

Places are limited and registration is essential.
