

# QUEENSLAND COUNCIL FOR CIVIL LIBERTIES (QCCL)

ANNUAL DEREK FIELDING MEMORIAL LECTURE

## "Freedom And Australian Imagination"

### DAVID MARR

In this post Haneef, 18C and marriage equality era, Australians are adept at detecting insincere civil liberties appeals, but not so proactive in demanding liberties as a nation. Why aren't we demanding a Bill Of Rights?

DAVID MARR is one of Australia's most awarded and most influential voices on politics, censorship and media. A trained lawyer and journalist since 1973, he has received four Walkley awards and written many books on politics and power.
